

The Beck Group is seeking a full-time general laborer for several large construction projects in FT. Collins to help support the field operations team. Experience preferred but not necessary. Must provide own transportation to and from worksite.

Duties/responsibilities include but are not limited to the following:

- General site cleanup
- Handle and transport materials between 25-75 lbs
- Put up warning signs/labels
- Assist in setting up and dismantling temporary structures
- Ability to follow instruction from supervisor
- Commitment to all safety rules and guidelines
- Communication and teamwork skills
