Empire Overview

Empire Roofing provides a wide range of roofing related services for commercial, industrial, office, retail, and institutional properties. We work with the latest technology and the best quality equipment, including more than two hundred of our own service vehicles. Committed to the latest technology in roofing, Empire believes in doing it right the first time!

Position Summary:

- Fabrication and installation of sheet metal products such as coping, flashing, counter flashing, metal wall panels, gutters, collector heads, downspouts, fascia, trim, soffit
- Track production and scheduling
- Partner to ensure high quality standards are met on all projects
- Promote Empire's Safety Program and use safe work practices
- Learn and understand Empire's core values of safety, quality and productivity
- Coach and assist team members on/with the proper application of products
- Other tasks as may be assigned

Major Responsibilities/Essential Functions:

- At least one year of sheet metal fabrication experience
- Ability to read and understand construction documents
- Must have a valid driver's license
- Able to work independently and produce a quality product
- Work outside in changing weather conditions
- Not afraid of heights
- Available to work at least 40 + hours per week and overtime when necessary
- Have reliable transportation to get to and from differing job locations

Education

Required: High school diploma or GED encouraged but not required.

Safety:

- Support a safe work environment by following safety rules and regulations and reporting all safety hazards.
