

Water Heater Installation & Repair Technician

Rinnai, Navien, Rheem, Bradford White Water Heaters

- You've led installs and can work independently in the field, or you're ready to take on more responsibility.
- You're dedicated to providing excellent service to your customers and colleagues.
- You're reliable, dependable, and friendly with a solid work ethic and a sense of pride in workmanship.
- You're organized, with strong time management, prioritization, and communication skills.
- You appreciate mobile dispatch and paperwork, and ongoing manufacturer training.

Are you ready to take the next step in your career and are looking to join a team dedicated to your professional development? APPLY NOW - we want to hear from you. We've specialized in hot water systems for the past 14 years. We are experts at installing, repairing and maintaining residential and commercial tankless, tank and hybrid water heaters. We treat our staff like family and are looking for the right person to join us in the field.

Responsibilities and Duties
