

Job Description

Granite Inliner, LLC is the second largest pipeline rehabilitation company in the United States utilizing CIPP (cured- in-place pipe) and a leading provider of trenchless water and wastewater system renewal services. From our flagship Inliner® Cured-In-Place Pipe (CIPP) to our glass-reinforced Inliner STX® UV-cured liners and technologies, we rehabilitate a broad range of gravity and pressure pipeline systems. For more information, please click on the following link: <https://Inliner.com>

Summary: The CIPP Laborer is a support person for field construction activities directly related to the cured-in-place (CIPP) method of pipeline repair.

Requirements:

- Willing to travel
- Complete manual labor tasks (lifting, carrying, dragging, pulling, climbing, etc.)
- Ability to pass a pre-employment physical and drug screen

Job Type: Full Time

Pay: \$17-21/hr based on experience

Additional Compensation: Per diem for out of town work

Licenses/Certifications:

- Driver's License and good driving record (required)
- Class B CDL (highly preferred)
- Hazmat and Tanker Endorsements (highly preferred)
- Confined Space, OSHA, traffic control certifications (preferred)

Work Location: Multiple Locations including The Front Range (from Cheyenne, WY to Pueblo, CO) and surrounding states. However, most of our work is in the Denver metro and Colorado Springs area so you will be based out of one of those cities and will need to live within a 50 mile radius.

Benefits:

- Medical, Dental, and Vision Insurance
- Sick Time
- 401K
- Life Insurance
- FSA/HSA

Granite Construction is an Affirmative Action/Equal Opportunity Employer of Minorities, Females, Protected Veterans and Individuals with Disabilities and a Drug-Free Workplace
