

## MITIGATION TECHNICIAN

Seeking reliable technicians to join our team of fun, hard-working professionals focused on serving our community and providing exceptional customer service.

Our organization helps commercial and residential customers in need of property repairs due to damage caused by water, fire, and mold. As a vital part of the Mitigation Department, this position is best suited for self-motivated individuals who have the ability to work both independently and with a team. Experience in the restoration industry a plus, but not required.

**General duties include** (but are not limited to):

- Water extraction
- Demolition
- Property cleaning
- Equipment setup

**Qualifications:**

- Full-time or part-time work available, plus on-call/overtime opportunities (\$\$ with bonuses \$\$)
- Must pass background check and drug test.
- Ability to work long hours on feet and lift 25 lbs is required.
