

About the Job

Overhead Door Company of Denver - the leader in the Colorado garage door industry for 70 years - is seeking Garage Door Technicians in the Denver area. We are growing rapidly and looking to add a high-character individual to our high-quality team. The company provides a competitive wage and a company vehicle. We have been family-owned for 40 years.

Pay: \$23-\$33/hour.

Responsibilities:

Learn to install and service commercial or residential overhead doors.

Communicate professionally with customers and co-workers.

Have a great attitude and work ethic.

Requirements:

2 or more years of mechanical experience. Background in mechanical, HVAC, welding, or carpentry will be helpful.

Driver's license with good driving record.

Drug-free.
