Colorado Barricade's Purpose

Colorado Barricade provides safe places for people to work, travel and live.

Position Overview

The primary duty of the Field Technician is to load and unload materials from trucks and perform installation and service work as required. Complete all internal paperwork.

Required Values

- Courage: Does what is right for internal and external partners, even when it is uncomfortable to do so.
- Safety: Dedicated to the health and safety of employees, customers, and the community.
- Relationships: Committed to a team-first approach, being honest, proven ability to check your ego and embrace humility. Thrives in a culture of respect and dignity.
- Growth: Dedicated to developing themselves, their teammates, and our partners in the industry.

Key Roles and Responsibilities

- Loading and unloading equipment from the truck.
- Assist with the removal of existing striping with the use of hand grinders.
- Assist with the layout, cut, and installation of tape to define crosswalks, lane lines, etc.
- Use of various types of equipment such as propane torch, walk behind hand liners, ride on grooving machine, and large striping trucks.
- Assist with the installation of various types of road markings using various types of equipment and machines.
- Assist with setting up and taking down standard traffic control work zones.
- Follow all safety rules and regulations of the Company and particularly the Federal Motor Carrier Safety Regulations
- Efficiently communicate with all levels of people - employees, customers, accident information, maintenance service schedules, etc.
- Conduct themselves in a manner that promotes a professional and respectful atmosphere and ensures that the service encounter with the customer is an exceptional experience.
- Keep company vehicles clean and orderly, informing management of any safety concerns or vehicle problems
- Flexibility to work various schedules and stay late, when necessary, with little or no notice. Able to work mid and night shifts, weekends, and holidays.
- Work hours can be dependent on weather.
