
Job Description

Construction Job Runner at The Gas Connection

The Gas Connection is Colorado's leading natural gas line installation and service company. As a family-run business since 1980, we pride ourselves on having a close-knit, positive work environment that helps maximize everyone's potential.

The Runner supports our install and service technicians by doing pre-site inspections at job sites, transporting parts and materials, and assisting with inventory management. This position is key to the success of the installers and service techs. A valid driver's license and clean driving record are required for this position. Plumbing or HVAC industry experience or a mechanical background are a plus.

Runners who excel will have the opportunity to join our Install team as an apprentice and, depending on performance, could rise to an Installer position after ~2 years of training, with the opportunity to eventually earn ~\$100K+ annually. This makes the Runner position a great way to start or accelerate your career in the trades and construction industry.
