

National construction start-up experiencing explosive growth! Looking for someone who is incredibly proud of their work and loves being part of a team.

Here at Blue Collar, our Renovation Tech's are the glue that holds our projects together. You will be responsible for working as part of a team to complete multiple residential maintenance projects from start to finish. While you will no-doubt spend a large part of your time working on maintenance related activities, what sets our company apart is the heavy emphasis we put on coaching our teams to become the best leaders they can be.

This position will be fast paced, it will push you to stretch yourself both professionally and personally, and it will offer you every opportunity to make critical decisions that will shape the future of our company. No pressure!

We have an amazing team, fun environment, and **HUGE ROOM FOR ADVANCEMENT & GROWTH** within your position and in other areas within the company.

Experience playing team sports or working on a high performance team is a plus.
